Health and Safety

Safety is the Priority
La Seguridad es la Prioridad

**Is your voice being heard?
Don't cut corners with health and safety**

FSW Health & Safety reps work hard to ensure that your health and safety is a priority. They are there to help, so make sure “**your voice is heard**” with all your concerns about health and safety and encourage your co-workers to do the same. **Health and safety is our PRIORITY!**

Not on the committee for health and safety? Want to make a difference in making safety a priority first in the workplace.
